Content Series

We run content series to engage, educate, and inspire our audience. Some of our successful content series include:

**Zero
TO Scale**

Focused on the journeys of African founders and their startups from day zero until the day they achieve scale.

The graphic features a dark blue background with the title 'Zero TO Scale' in purple and pink. Below the title is a white text block. A large, semi-transparent blue circle is positioned in the bottom right corner.

**under
the
hoodie**

Spotlighted everyday tech talents flying high in their fields.

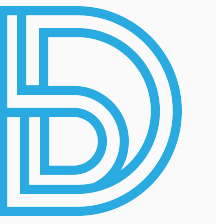

The graphic has a dark blue background with the title 'under the hoodie' in white. Below the title is a white text block. A large, semi-transparent pink speech bubble is in the bottom right, and a purple curved shape is in the bottom left.

**The
Investors'
Corner**

A bi-weekly series about the stories of African-focused investors and how they make investments on the continent.

The graphic is a solid yellow-orange color. It features a dark blue icon of a building with a square cutout on the left, followed by the title 'The Investors' Corner' in dark blue. Below is a white text block.
